

PEER Economics Report

- Corrigenda, May 2012 -

Centro ASK, Università Bocconi

We should like to correct some information about the CSIC (Spanish National Research Council) and the repository it runs (listed on p.33 in Table 5 as part of the sample):

p. 44 (Table 10): New items during 2010 may be specified as 10776, leading to a total number of 28.873 items

p. 45 (Table 10, the note ***) Instead of CSIC technical centre it should read "Digital.CSIC Technical Office"

p. 47: Instead of "CSIC repository" it should read "Digital.CSIC";

p. 72 (Annex 2, Table 1): Date of set up is not 2002 but 2007 (as noted correctly on p. 44, Table 10).
